PROFILE

An individual committed to professionalism, direction, and communication. Strong organization emphasizing detail and excellence with experience in creating, editing, and problem solving.

EXPERIENCE

Apple Final Cut Integration/Support Specialist, Creative Media Partners; Burbank, CA 2009-2010

Installed Final Cut Systems onsite. Solely created a fully functioning Apple Authorized Service department from the ground up. Properly diagnosed and repaired machines. Controlled inventory and accountability of parts according to Apple's guidelines.

Help Desk Service Technician/ 'Macologist,' The Portland Mac Store; Portland, OR 2006-2009

Consistently met the challenges of problem solving while going above and beyond for clients. Instructed various software functionalities, serviced machines, and ordered, replaced, and installed computer parts. Took initiative to complete certification courses and exams, delegate responsibilities, and train new employees.

Assistant Photographer/ Special Projects Manager, Freesolo Photography LLC; Portland, OR 2008

Photographed field adventure assignments. Edited and published photographs to the web for clients. Entirely rebuilt post-production workflow increasing efficiency of organization and archival procedures.

Freelance Filmmaker; Portland, OR 2008-Present

Produced, directed, filmed, and edited original music videos, promotional digital videos, and digital 'adventure series' shorts.

Freelance Event Photographer; Louisville, KY/ Portland, OR 2005-Present

Captured stunning and effective photographs while exceeding client's demands for weddings, portraits, and special events.

Vocalist/ Lyricist/ Guitarist/ Performer, Christiansen/Your Highness Electric; Louisville, KY 1999-2006

Wrote music and lyrics for internationally touring independent recording artists, *Christiansen* and *Your Highness Electric*. Artistically directed band photographs, album artwork, music videos, and merchandise. Effectively addressed interviews and music licensing.
